Glossary

Accident Indicator

CARFAX receives information about accidents in all 50 states, the District of Columbia and Canada.

Not every accident is reported to CARFAX. As details about the accident become available, those additional details are added to the CARFAX Vehicle History Report. CARFAX recommends that you have this vehicle inspected by a qualified mechanic.

- According to the National Safety Council, Injury Facts, 2021 edition, 5% of the 276 million registered vehicles in the U.S. were involved in an accident in 2019. Over 77% of these were considered minor or moderate.
- This CARFAX Vehicle History Report is based only on information supplied to CARFAX and available as of 2/26/25 at 7:45:25 PM (CST). Other information about this vehicle, including problems, may not have been reported to CARFAX. Use this report as one important tool, along with a vehicle inspection and test drive, to make a better decision about your next used car.

Damage Severity

Damage events result in one of the following severity levels:

- Minor: Generally, minor damage is cosmetic (including dents or scratches), may only require reconditioning, and typically does not compromise a vehicle's operation and/or safety.
- Moderate: Moderate damage may affect multiple components of the vehicle and may impair the vehicle's operation and/or safety.
- Severe: Severe damage usually affects multiple components of the vehicle and is likely to compromise the vehicle's operation and/or safety.

CARFAX recommends getting a pre-purchase inspection at a certified collision repair facility.

First Owner

When the first owner(s) obtains a title from a Department of Motor Vehicles as proof of ownership.

Ownership History

CARFAX defines an owner as an individual or business that possesses and uses a vehicle. Not all title transactions represent changes in ownership. To provide estimated number of owners, CARFAX proprietary technology analyzes all the events in a vehicle history. Estimated ownership is available for vehicles manufactured after 1991 and titled solely in the US including Puerto Rico. Dealers sometimes opt to take ownership of a vehicle and are required to in the following states: Maine, Massachusetts, New Jersey, Ohio, Oklahoma, Pennsylvania and South Dakota. Please consider this as you review a vehicle's estimated ownership history.

Title Issued

A state issues a title to provide a vehicle owner with proof of ownership. Each title has a unique number. Each title or registration record on a CARFAX report does not necessarily indicate a change in ownership. In Canada, a registration and bill of sale are used as proof of ownership.
